Principal's Message

Dear Parents/Carers and Friends,

Quote of the Week: "Put your heart, mind and soul into even your smallest acts. This is the secret of success" Swami Sivananda

The Dubbo Annual Show is this weekend coming. Many students seem to be excited about attending. We ask that any toys or items collected from the Show stay home next week. If you are going you may like to take time to view the many entries from our school. This year we have many classes entering art works. 1/2B, 2M, 3C, 2/3G, 5W, 5L, 6B, 6L, 6M and two support classes are all represented in the art section this year.

Our 2015-2017 School Plan is now up on the website having been endorsed by the Director Public Schools NSW, Macquarie Principals Network, Mr Michael Cronk. I would like to take this opportunity of thanking those who gave input into this process over the past few months. Our School Plan's implementation is all important as it prioritises our core business. Staff will begin on their planning of the Milestones to track our school's progress. The 2014 Annual School Report is also available on the school's website.

Just a reminder that all visitors to the school site need to sign on in the school office and sign out when they leave as per Work, Health and Safety requirements and most importantly to ensure the wellbeing of all students on the school site. Shortly the sign on register will also be refined to include a reason for the visit. I thank you for your anticipated support of these measures.

We are getting enquiries about enrolment at our school next year. If you have a Kindergarten child or know of families that do, please be good enough to ask them to come to the office to collect an enrolment package later this term.

Annie Munro, Principal (R)

Stage One Dundullimal Excursion - Students are to come dressed in old fashioned clothes e.g. long skirt or dress, long trousers and braces etc. Year Two will be attending on Thursday 14 May and Year One will be attending on Thursday 21 May 2015.
