## Principal Message:

**Quote:** *"Imagination is more important than knowledge. For knowledge is limited, whereas imagination embraces the entire world."* - Albert Einstein

As we move towards the last month of school we would like to remind all families of the importance of **regular attendance at school**. The last month still holds 10% of your child's learning time. All programs in classrooms are related to our curriculum. Students finish school on 19 December- after this point school closes until 30 January 2019.

At last week's KindyStart session, Constable Marty Paice spoke to parents about the importance of keeping children safe online. I would like to thank him for taking the time as our police liaison officer to outline some tips and tricks on **cyber safety**. If you would like more information please use the eSafety Commission site [www.csafety.gov.au](http://www.csafety.gov.au).

Some of our class teachers use a communication platform called **ClassDojo**. Teachers are able to set "quiet times". If messaging a teacher during their designated quiet times please be mindful they will not see your message until during their school hours. We ask you use this electronic communication with respect. Unkind or messages deemed aggressive may lead to blockage of the user.

## Annie Munro - Principal

Our Kindergarten students for 2019 have enjoyed two KindyStart sessions and will come again tomorrow for their final week. They have enjoyed many fun activities whilst here.
