Wudhagaragarra Awards

Last Thursday afternoon, four students in Year 3 and their families attended the Wudhagaragarra Awards at the Dubbo RSL.

Maya Lake, Aidan Sutton, Kaleigha Schaefer and Coby Read were all fortunate enough to receive an Encouragement Award at the ceremony.

This award was presented to the students to encourage them to continue with their studies as they were already showing outstanding achievements and efforts in their attitude towards school, academics and attendance.

Congratulations to these students and thank you to their teachers who nominated them for this award.

Colour Run

On Friday December 14 2018, we are holding a Colour Run.

All funds raised will be used to purchase readers for 2019 home reading.

The Colour Run is a fun fitness event. Students will run around a course on Jubilee Oval, completing activities on the way, culminating in being showered in coloured powder as they cross the finish line.

A note was sent home yesterday.

Presentation Evening

Dubbo College Senior Campus Auditorium

Principal's Message:

Quote: "You can discover more about a person in an hour of play than a year of conversation," – Plato.

Some points to note at this time of year:

- ◆ A reminder that candy canes and other **foods are not to be shared** at school. We have a number of students with allergies and we try to minimise any reactions to those who are susceptible to reactions.
- ◆ With less than three weeks until the last day of the school year for 2018, students are being engaged with many enjoyable activities in class. We do **encourage attendance at school** until the last day- 19 December.
- ◆ Caps are not a part of our school **Sun Safety policy**. We also ask students be proud of their school uniform outside school hours.
- ◆ The **back car park** has some traffic changes at the moment. New line marking will take place after a new building (to cater for school growth) is in place. Thank you to all those drivers who respect our rules in this area.

ABORIGINAL EDUCATION COLUMN

A corroboree is a generic name for an Aboriginal dance ritual, often involving costumes and music.

The term was first used by British colonisers, who mangled the original Indigenous word 'caribberie', and is now used in the Australian language to refer to any large gathering of people.

Canteen News

Wednesday 12 December - we will be selling Christmas cupcakes - \$1.50 each.
