From the Principal's Desk

Ms Annie Munro

- ♦ Last Friday was **World Teacher's Day** - our support staff acknowledged the teachers with a special celebration morning tea. Many of our students noticed there was something special and made mention to their teacher. We are proud at OHPS of the dedicated teachers and it was lovely to recognise this formally.
- ♦ As we plan for special events to take place at the end of the school year, it is timely to remind families that attendance at such events is a **privilege not a right**. If a student's behaviour does not follow our school's expectations, they may not be allowed to participate. Please chat to your child about the choices they make and consequences that follow.
 - Good choices = good consequences
 - Less desirable choices = less desirable consequences
- ♦ If you or a family you know are going to be **moving** and starting at a different school in 2020, please let the school know. We are well into our planning for classes and staff.
