Regional Winner!

Yesterday, Corey Binks won the Years 5 and 6 Regional Final of the Multicultural Perspectives Public Speaking Competition. He competed against eight other students in Wagga Wagga and will go on to represent our region at the State Final on Friday November 15.

Corey's prepared speech was on *Human Rights and Wrongs* and his impromptu topic was *Wake Up*. 2000 students from across the state entered this competition at a school level.

We are immensely proud of Corey's achievements and wish him all the best for the final, knowing he will represent himself and the school admirably.

- ♦ SASS (School Administrative and Support Staff) are a very important part of our school's staffing. At OHPS we are privileged to have support staff who work hard every day for your children. This week is **SASS recognition Week** and teachers are taking time to show their appreciation of those adults in classrooms, administration and on our grounds.
- ♦ **Congratulations to Corey Binks** for his win in Wagga Wagga yesterday at the Regional Public Speaking Competition. Corey, a Year Six student, will now move onto the next level in the competition.
- ♦ Thank you to the families whom supported the **fundraisers** in the past few weeks. The Pie Drive was in support of the school's P&C and the *Jump Rope for Heart* supported the Australian Heart Foundation.

Knockout Netball

Last Friday, the Knockout Netball Team versed Dubbo Public in Round 6. Unfortunately Orana Heights were beaten 21-16 in an exciting and tough match. The girls have done extremely well to get to this stage of the competition and should be proud of their achievements.

Thank you for all of your commitment after school and at our daily training sessions, the teacher verse student games, the fun trip to Lithgow and of course the McDonalds visits. Catrina Caton

Dubbo College South Campus Year 9 elective Sports Studies class came to visit Orana Heights last week.

They had planned a coaching session for 2M and 2B students. Year 2 had such a great time warming up, practising their catching and throwing skills, playing modified basketball and netball and finally cooling down.

A big thank you to Dubbo College South Campus for creating these fun and engaging lessons. We had such a "ball".
