- ♦ Thank you to the members of our school community whom have taken up on the recommendation to **park and walk** when they are picking up their child at 3.05pm. We appreciate you prioritising safety for all.
- ♦ Before the end of this school term some families may receive a letter from their child's class teacher. These "Good News Letters" are sent to a handful of students in each class in Terms One and Three. They aim to praise a small selection of students who make the right choices at school every day.
- ♦ Please ensure your **contact details** are up to date at the school, including those of your nominated emergency contact.
- ♦ Next term the **Life Education Van** will be coming to the school for two weeks. Each class has a targeted lesson that is age appropriate with the a specialist teacher in the van. Teachers have found the content relevant and support this visit every second year. School subsidises the cost for every child. Notes for your child came home last week.
